

EVOLUTION D5 GOLF BAG INSTRUCTIONS

Kit Includes:

- Golf Bag Attachment Assembly
- 2 - Bolts
- 2- Flat Washers

Tools Needed:

- 13mm Wrench

INSTRUCTIONS

1. Hold assembly up to holes. Begin to screw in the bolts with the washers into the back of the seat where the existing holes are. (Note: screws may be difficult to install, if so try to start them on their own before holding up the attachment.
2. Use the 13mm wrench to secure the bolts and washers in place.
